Similar Integrity Checklists Will Be Presented To Assess Bad Beat Jackpot Hands

(Learn how Bad Beat Jackpots were stolen in LV & throughout the industry)

“GJ” ...”It has been my experience that Camera Coverage for Poker is universally sub-standard. Consider that stealing \$50,000.00 using marked cards in Poker is a daunting task for cheats, but a \$50,000.00 Bad Beat can be stolen in one hand.”

George Joseph began his gaming career in Las Vegas in 1974 as a dealer and entertainer. He worked for the owners of the Aladdin Hotel, the owner of the Dunes Hotel, the owner of Treasure Island and was for 10 years the Corporate Director of Surveillance for the Bally Corporation Casinos Worldwide.

George served for 10 years on the Board of Directors and Ethics Committees of the Nevada Polygraph Association and holds several gaming and vendor licenses. He is currently president of Worldwide Casino Consulting, a Nevada based corporation whose core business is casino game protection training and compliance reviews.

Mr. Joseph has been instrumental in uncovering many of the biggest casino scams in the gaming industry and has been a consulting investigator and expert witness in countless casino cheating and Baccarat prosecutions for over thirty years. George Joseph regularly appears on National Television specials which feature casino cheating and the “Old Days” of Las Vegas.
