

Zoom Meeting Training Programs & Table Game Integrity in the Covid World

The gaming world and this country are dealing with a pandemic crisis. I've noticed several casino operators taking a "Knee Jerk" reaction to Safe Casino Reopening. Included in any Zoom or Live Training we will discuss the following;

- “What are the Advantage Play & Game Protection Issues (Good & Bad) if a Casino were to deal all Carnival Games Face Up...?”
- If a Floorperson encounters a customer who raises the value of a Carnival Game by One Unit of Color...(Red to Green or Green to Black)... "What Should They Do...?";
- “How effective are disinfectant sprays versus germicidal UVC light to clean casino equipment...Cards, Dice, Cheques...etc.?”...“What are the drawbacks?”

We will review several ideas I’ve been working on...

During Zoom training sessions George Joseph will demonstrate various examples of Marked Playing Cards & Gaffed Casino Dice. Your on site Administrator and George will then walk the attendees through an examination of suspect gaming equipment. Several Gaming Integrity Checklists will be presented as well. (See Attached Flyers for Content)

Proper use of a dice micrometer will be demonstrated....

- What gaffed dice are designed to “Take Off” the crap table side bets like “Repeater Bet” ... “All Small Tall” ... “Fire Bet” ...?”
- “What are the surveillance issues involved when trying to protect crap table side bets like “Repeater Bet” ... “All Small Tall” ... “Fire Bet” ...?”

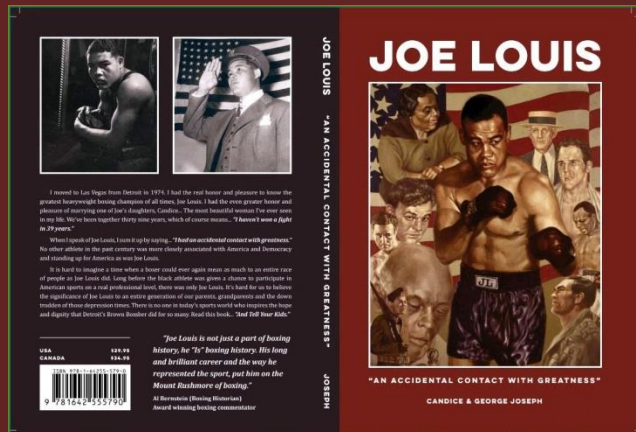

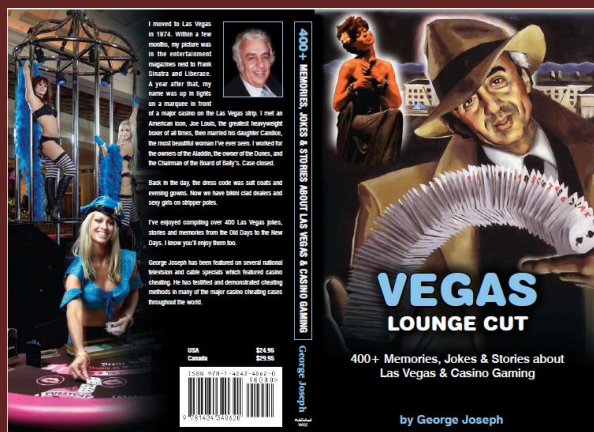

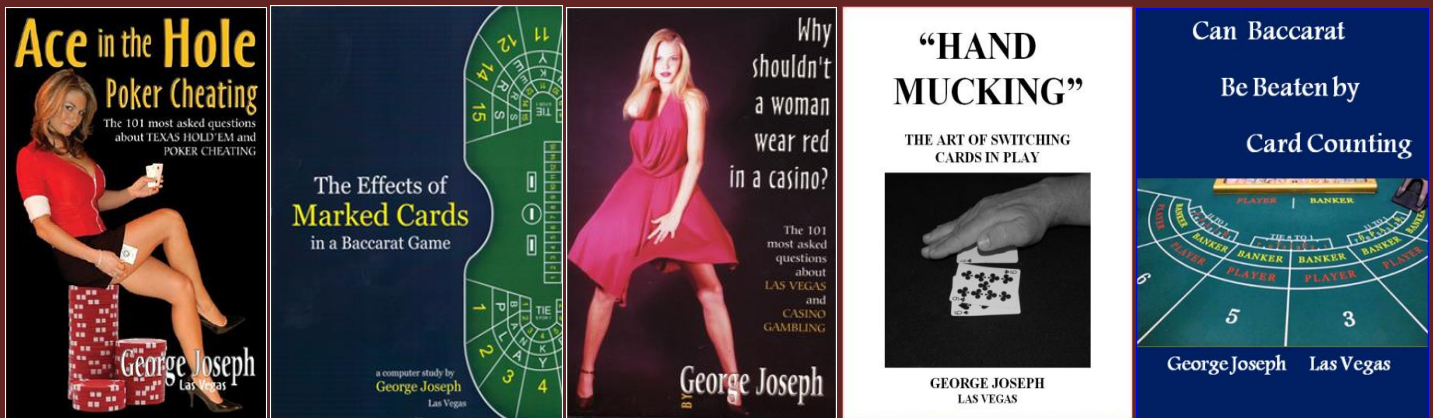

Your staff will be asked to answer and discuss the rational & justifications for these and many more Game Protection Issues & Dealing Procedures...Meant for advanced personnel.
